our location

nestled within Lido Marina Village..overlooking the Newport Bay

Established in 2016, Lido Bottle Works boasts the serenity of an amazing seascape and the luxury of mild, year-round temperatures.

Designed with an open floor plan, LBW accommodates up to 70 guests, offering both inside and outside dining.

Friends and family enjoy a personalized experience, ranging from intimate and private occasions, to casual restaurant buy-outs.

the inside

warm, intimate, wood textures..signature brass accents

Our interior space accommodates 25-40 guests and lends itself perfectly to coursed menus or casual mix-and-mingle styled events.

Ample group seating is available, enhanced by our comfortable, hand-woven banquet seats and sleek leather chair cushions.

Both low and high-top possibilities exist, as well as seating at our beautiful L-shaped bar.

the patio

fresh ocean breeze...stunning views

You'll find the ideal setting for a small-group luncheon or private business meeting on our waterfront, open-air patio.

It can accommodate 13-23 guests in a semi-private to private space, using an array of seating arrangements.

Adjustable canopies give ample shade on hot days, and state of the art heaters are available for cooler weather.

full restaurant

a completely private experience

We offer our guests the rare opportunity to share full access to our entire restaurant, inside and out.

You may entertain 40-70 guests at LBW, depending on your dining preference.

If sit-down is not your go-to, try adding a beautiful, unique food station along with passed appetizers.

This self-serve style dining will maximize your space for greater interaction among your guests.

private dining & events

let us do the planning

Allow us to assist you with all of your party and dining needs. We can customize and print the perfect menu.

Both food and beverage pairing events as well as takeout catering, are available.

All private events and buyouts are based on a three-hour time frame.

Food and drink minimums are required for self-service style dining and subject to venue fees, dependent on the area chosen.

bar & bottle shop *a variety of draft beer...a bottle shop bounty*
